**Rabbi Hanan Schlesinger**

**Rabbi Hanan Schlesinger** and **Noor A'wad** are leaders in West Bank-based **Roots/Shorashim/Judur**, an Israeli-Palestinian grassroots initiative for understanding, nonviolence and transformation. They represent a unique network of Israelis and Palestinians who have come to see each other as partners in the work to make changes to end the conflict.

Hanan and Noor will share about their and their colleagues' work before and after October 7th, how the Israeli and Palestinian communities view their work, and what they see for the future.

We invite you to join Noor and Hanan as they share their personal, interconnected stories and present the groundbreaking and challenging grassroots work of Roots. They do not come with blueprinted peace plans in hand, but with the deep conviction that human understanding and trust are the prerequisites for lasting justice, freedom, and peace for all peoples in that little sliver of land they both call home.
