

School Break Bundles

Loudoun County – Spring Break - 2024

Crossroads will once again be providing School Break Bundles for families in Loudoun County.

By providing any of the food items listed below you will be helping those students at risk of going without food during Spring Break. Our goal is to provide 100 Bundles. The Crossroads congregation along with HOPE Preschool families are working together to help support this worthwhile mission.

Food Items can be dropped off at Crossroads Entrance 1 anytime during the week or during worship on or before March 17th. Monetary donations should be marked School Break Bundles and can be made online or mailed to Crossroads.

To find out how you can get involved, contact Kathy MacKrell at kmackrell@crossroadsnova.org.
